

GOOSE CREEK CONSULTING

Psychiatrist

Goose Creek Consulting – Centreville, VA 20120

Job Description

We are a growing healthcare practice in the Washington, D.C. metropolitan area. With offices in Centreville, VA and McLean, VA, we provide a full suite of mental health services and we are looking for a Psychiatrist to provide clinical care to clients in an outpatient setting. The Psychiatrist will work collaboratively in a fast-paced and dynamic team to provide quality care to clients. The Psychiatrist will also be responsible for assisting with the development of new services.

- Clinical care of clients with problems related to behavior, thinking and feeling
- Evaluation and diagnosis of mental health disorders in child and adolescents
- Maintenance treatment of children and adolescents
- Coordinated care with other mental health providers
- Supportive care and coordination with family members and others with impact on clients' health

Desired Skills & Experience

Doctor of Medicine (M.D.) or Doctor of Osteopathic Medicine (D.O.) degree
Licensed to practice medicine in the United States and ability to obtain a Virginia license
Board Certification in Adult and General Psychiatry

Company Description

We are a growing healthcare company providing a full suite of mental health services. Our offices are located in Centreville, VA and McLean, VA. The offices are convenient to District of Columbia, Maryland and Virginia.
